

PRESS RELEASE

Running, Celebration & Charity at the 8th Luxembourg Times BusinessRun 2022!

+++ Event schedule including entertainment and catering confirmed! +++

After the date for the 8th Luxembourg Times BusinessRun, has been set, it is time for the next step: On **Thursday, 22nd of September**, there will be happening much more than just running on the Kirchberg plateau.

Participants will be brought to running and celebration mood by our DJ in the starting area: No running without warm up! Along the course, samba bands and a moving DJ will get all runners across the finish line, accompanied by active rhythms and motivating beats. A great evening program awaits all runners and colleagues to create just a perfect team event.

The band "Elliot" will provide musical entertainment at the official after run party, but there is even more to come: Winners in different categories will be awarded trophies and prizes, for their team performances. Not only fastest teams will be honored but also the biggest teams and the most creative outfit. Besides their personalized bib number, all runners will receive a medal at the finishing line and can enjoy their after run refreshments from Rivella and Diekirch as well as fruits from Grosbusch.

Speaking of refreshments: In the "third half" just as during the run, all delicious expectations will be fulfilled. Numerous food and beverage stands offer quite a few options for all runners, their supporters and friends.

The starting gun for the most athletic staff meeting in Luxembourg goes off at 7 PM, right after the end of the work day. In best company, colleagues will enjoy the 5.5 kilometres running course with their team mates including a memorable finish experience at the Arena d'Coque. Interested companies and runners may sign up at www.business-run.lu. The attendance fee per runner is EUR 27,00 (plus VAT) and the application deadline is September 5th.

As in previous years, running for good is still a matter of great importance at the **Luxembourg Times BusinessRun**. A fixed sum per participant will be donated to the Fondation Cancer. **Save the date and inform all colleagues!**
